

Sara will be returning late August. Jeff Fleming has been standing in during her absence. I am copying him on this should you two wish to discuss further.

Just want to make sure we are calibrated in our messaging to the public on the test results and interpretation of them.

Tomorrow @ 11AM works for me for a brief chat. Please confirm though.

Thanks!

Hi Paul,

The old letters that went out or to MPS staff.

I'm swamped this week as we have five motor events before August 15. Six if I count my daughter's wedding. ♦♦

I might be able to chat tomorrow at 11 am. When is Sara back from maternity leave? We had a preliminary discussion about this in the spring.

Best,
D
