Sure, I will send directly to screening then. It might end up waiting till March screening otherwise.

Ps – if it is a timing thing (meaning waiting for a response will cause a delay), it can go without his response as he has given a statement which is included in the information.

RE: Surrender of Medical License
License # 21091-20

Dear Ms. Adams:

I am aware that a complaint has recently been filed against me. I write to surrender my medical license without the need for an investigation.

By way of history, I am 67 years old. I have worked for the University of Wisconsin School of Medicine and Public Health in the Internal Medicine Department since 1996. I have no history of discipline. I wish to retire at this time from the practice of medicine for personal reasons. My resignation from the University of Wisconsin has been tendered and will be effective as of February 15, 2017.

Wisconsin is the only state in which I am currently licensed. I do not intend to apply for a Wisconsin medical license in the future, nor do I intend to apply elsewhere.

I am enclosing a copy of my medical license at this time. I ask that this surrender of license be accepted. Thank you for your courtesy herein.

Sincerely,

Michael Thom, M.D.
