Milwaukee, WI 53209-2212

Dear Darshell Garner,

We are writing to inform you that Melissa Macias, MD is no longer with Aurora Health Care. We apologize for not being able to provide you with prior notice.

We understand how challenging it can be to find a health care provider with whom you are comfortable. Our staff at the Aurora Neuroscience Innovation Institute is available to help with your transition in care. As leaders in Neurologic care, please be assured that we remain committed to providing you with the unparalleled level of care and services you have come to expect.

To ensure your care continues without interruption, we are pleased to recommend **Derek Orton, MD** and **Thomas Doers, MD**. Both of these spine surgery specialists are available to meet your specialty care needs. They are conveniently located at:

**Physician Office Building • Aurora St. Luke's Medical Center
2801 W. Kinnickinnic River Parkway • Suite 345
Milwaukee • 262-329-2225**

If you have an upcoming appointment already scheduled, our clinic staff will contact you to confirm the details of that appointment. Please feel free to call Jesse Fleming, Senior Director Administrator, Aurora Neuroscience Innovation Institute at 414-385-1825 with any questions or concerns. Our staff will be happy to answer your questions, assist you in choosing a new provider, schedule or reschedule appointments to best meet your needs and work with you to ensure your care continues without interruption. As an option and depending on your specific health care needs, you may also contact the Back and Spine Program at Aurora St. Luke's Medical Center by calling 414-649-3300.

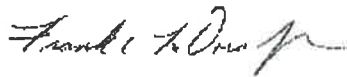

For your convenience, specific bio information and introduction videos for Dr. Orton and Dr. Doers can be found at aurora.org/doctors. By choosing an Aurora provider you can be assured that they will have access to your electronic health record and will be able to provide the continuity of care that you deserve.

Thank you for the confidence you have placed with Aurora Health Care. It is our privilege to have you as our patient and we look forward to serving you in the future.

Sincerely,

Amin Kassam, MD

Dear Darshell,

On May 30th, we received medical documentation submitted by you that you will be out indefinitely and will not be able to return to work at Infosys BPO, Ltd. As you have been on leave since January 29, 2016, we will be voluntarily separating you from employment, effective May 31, 2016 based on your need for indefinite leave.

Please note the following with respect to your compensation and benefits:

Medical and Dental Coverage

You have the option to continue your group medical and dental coverage through the COBRA Plan. All benefits cease on your last working day, unless you elect COBRA coverage.

Group Life Insurance

Your coverage ceases on your termination date; however, you may have the option to convert your group term life insurance to an individual policy following your termination date. If you are interested, please contact the Infosys Helpdesk at 1-855-838-4072.

Group Long Term Disability Insurance

Your group plan through Unum ceases on your termination date; however, you could convert this coverage to another plan. If interested, please contact the Infosys Benefits Helpdesk at 1-855-838-4072.

401(k) Plan

If you have participated in the 401(k) Plan, your benefit will be based on the value of your account, which is comprised of contributions you have made and any investment earnings/losses. For information regarding rollover or distribution, please contact the Infosys Benefits Helpdesk at US_Benefits@infosys.com.

Ordinary Pay

You shall receive the following paid through your termination date.

- Regular wages
- All accrued, unused vacation days;

To ensure you continue to receive documents and notices from the company, be sure to contact us if your address changes. You may send any address changes to sanyukta01@infosys.com.

Sincerely yours,
