Adell, Sanjay T
4400 North 39th Street
Milwaukee, WI 53209
DOB: 01/05/1977

Court Case No.: 161M883

Defendant,

THE ABOVE NAMED COMPLAINING WITNESS BEING DULY SWORN, ON INFORMATION AND BELIEF STATES THAT:

Count 1: MAINTENANCE OF ORDER

The above-named defendant on or about Friday, October 09, 2015, at 10201 West Watertown Plank Road, in the City of Wauwatosa, Milwaukee County, Wisconsin, in his capacity as an officer in a correctional facility, did fail to maintain order, contrary to sec. 302.07 Wis. Stats.

Upon conviction for this offense, an unclassified misdemeanor, the defendant may be fined not more than Five Hundred Dollars (\$500), or imprisoned not more than 1 year, or both.

Complainant is a Detective with the Milwaukee County Sheriff's Office who states as follows:

On the above stated date at the above stated location, defendant Adell was working as a correctional officer in the Milwaukee County Juvenile Detention Center. He responded to an inmate, C.J., who was refusing to obey orders to avoid a common area with other juvenile detainees. Defendant Adell ordered the detainees to disperse immediately and return to their rooms. All detainees immediately complied except C.J., who verbally engaged the defendant, looked at the defendant directly and tugged at his pants. The defendant later stated it is a known signal within the detention center that when a detainee tugs at his pants he intends to physically fight. The defendant immediately took C.J. down to the floor and began striking him in an effort to secure him. The defendant continued to strike C.J. even after other guards assisted in successfully securing him. C.J. suffered pain to his face as a result of the strikes by the defendant.

****End of Complaint****

Subscribed and sworn to before me and approved for filing this 1st day of April, 2016.
