Join us as we break ground on Midtown 100: Milwaukee Habitat for Humanity's ambitious initiative to build, rehab and repair 100 homes in the Midtown neighborhood over the next three years!

Midtown 100 combats our city's affordable housing crisis by **building the highest concentration of affordable single-family homes in Milwaukee since WWII.** Through innovative partnerships with community-focused organizations, we will dramatically increase homeownership opportunities while helping current residents stay in their homes. Together, we will serve more families per year than ever before!

you're invited!
