RE: Open records request dated July 24, 2018

Dear Ms. St. Hilaire:

This letter is in response to your open records request dated July 24, 2018, in which you requested:

- *Government-related emails sent and received from Sen. Fitzgerald's personal, work, and state email accounts from September 8th, 2017 through September 15th, 2017.*
- *Government-related emails sent and received from Sen. Fitzgerald's personal, work, and state email accounts from May 1st, 2018 through May 8th, 2018.*
- *All daily schedules and calendars for Sen. Fitzgerald from 2018.*

All records responsive to your inquiry are attached. At your request, these records are being provided to you electronically. Of the constituent emails, please note that I redacted medical information from a constituent contact in order to maintain that constituent's privacy. Based on the public policy regarding confidentiality of health care information expressed under s. 146.82, Stats., I have determined that the interest in maintaining an individual's medical privacy outweighs the public interest in releasing this information, therefore we have redacted the portions of the constituent email where the constituent discussed her specific medical issues. Pursuant to s. 19.35 (4) (b), Wis. Stats., this reply is subject to review by mandamus under s. 19.37 (1), Wis. Stats., or upon application to the Attorney General or a district attorney.

In regards to my 2018 schedule, my calendar is deleted daily. As a result, I do not have a calendar for the time period specified in your request.

I consider this request fulfilled and this matter closed. Should you have any questions, please do not hesitate to contact my office.

Sincerely,

SCOTT FITZGERALD
